Ateeq Ur Rahaman

Student at PES University | Final year Btech CSE
Bengaluru, Karnataka, India

Summary

Final-year B.Tech student in Computer Science at PES University with hands-on experience in software development and AI projects. Developed a Medication Advisor using ChatGPT APIs. Skilled in JavaScript, HTML5, CSS3, React, Angular.js, and SQL/NoSQL databases. Currently seeking internship opportunities in frontend and backend development, as well as Software Engineering, Java Programming, and C++ Development, to apply my skills and grow in a dynamic environment. Aspiring to work in the USA within the next 5 years.

Experience

ATEEQ UR RAHAMAN

Medication Advisor using Conversational AI
July 2024 - July 2024 (1 month)
Bengaluru, Karnataka, India

Developed a Medication Advisor application leveraging Conversational AI to provide personalized medication advice. In this project basically we added the few short approach, prompt engineering and we used 3 api calls to generate text and image using (chat GPT APIs).
